THE GOVERNMENTAL I STRUCTOR .- A brief and comprehensive view of the Government of the United States, and of the State Governments. Designed for the use of Schools. By J. B. SHURTLEFF. Third Revised edition by DAVID N. CAMP. 12mo. Price 75 cents. The book gives briefly the extent, discovery, the conquest, the settlements of our country; the origin of the Revolution, our Congress, and our laws; defines the purposes and powers of our Government, and the Houses of Congress; and, in short, comprehends that information of the government of the country so necessary for every American citizen.

It was very well received on its publication and adopted as a text book in many schools. Hon. A. G. Cuerts, at that time Superintendent of Education of Pennsylvania, wrote to the author: "I consider it a clear and well digested The Ladies particularly are invited to attend Pastor of this congregation be directed exposition of the innah and fundamental to express the same in whatever manand am persuaded that it must speedly work its upening, Commencing 11th OCL way into public favor, as a publication of practi- when the Goods and Fashlons will be displayed young men especially—who wish to understand the general character and scope of the government under which we live, will find this a book of interest and importance, a safe guide and a reliable monitor.
